

# Borrowing from Other Libraries

There may be times when you want to borrow from another BC Library:

1. You couldn't find what you were looking for in the Chetwynd Public Library library.
2. You happen to be visiting another BC Library.

## Requesting Books Through **BC Interlibrary Connect**

**Try this option first.** If you can't find the item you are looking for in the "Chetwynd Public Library" catalogue, try again by changing the library to "BC Interlibrary Connect" (top of the drop down menu) and clicking on "search." After locating the item, **place a hold** on it just like you would do at your Chetwynd Public Library and it will be shipped to the Chetwynd Public Library for you. Most libraries will lend audiobooks and movies as well as books as well.

**Tip:** If you are looking for a particular format (audiobook, movie, large print), make your search easier by selecting a format in the drop down menu.

## Requesting Books From Other BC Libraries (**Interlibrary Loan**)

If you weren't able to find the item you wanted in the Chetwynd Public Library or through BC Interlibrary Connect, try finding it elsewhere in BC using **Outlook Online**, a catalogue for all BC libraries. If you find it at another library, request it to be delivered to the Chetwynd Public Library for pick up! Please note: this service is for books only, and items must be over a year old.

## Searching Outlook Online

## Visiting Other BC Libraries

If you're on the road and find yourself in another BC public library, you can easily borrow items. The best part is that you can return these items to any other BC public library, so if you're traveling through BC, it's easy to drop items off as you go. We call this program **BC OneCard**. For more information on how to do this, check our **BC OneCard** page (please note that borrowing policies may vary slightly between various libraries).
